*Thank You
so much!*

Thank you everyone for a very special 2009 for your friendships, for your ongoing support ... for your gifts of yourselves in classes and at events ... for your creativity and all the extra rehearsals ...

I, personally, have such a strong work ethic, that you know all the effort you put in is truly noticed and appreciated by me ...

I love dancing with you, partying with you (more, more) meeting your families and friends, and being allowed to be a portion of your busy lives! Thank you for being you and for sharing!

Many of you gave me very thoughtful and generous gifts for Christmas and I thank you so much ... and so many of you went together to give Del and I a gift vacation to remember - I know you wanted us to be able to enjoy a week off during the Christmas season, (and that truly is a wondrous gift) but due to the loss of Del's Dad, it would have left his Mother alone for the first time in 65 years, and we couldn't do that at this time. But we do thank you for your love!

I must confess that we were horrified when we found that you were all asked to donate to US, especially since giving to YOU is our passion, and with the economy so difficult for so many, it hurt to think of you sacrificing in any way - we really felt we could not accept such an awesome gift, but I have grown to appreciate your generosity (of course, I was threatened :-)) to accept it)... and we thank each and every one of you for your gift and we love and appreciate you AND especially, the lovely ladies, Nell Lang and Linda Barnes Smith, who led the way. Thank you everyone from the bottom of our hearts and we will not only take and enjoy this wonderful cruise in February, but we will think of you and thank you the whole time!

Love and Hugs, Isis and Del
