Performing in the Show:

We have been invited to sponsor the Show and Workshops and be the local performers in the first show. We would love to include other local dancers and are inviting one to three troupes to join us on Stage with the Belly Dance Super Stars. The performing troupes will be chosen from the troupes who are supporting the BDSS by attending their workshops.

Workshops: *Stephanya*: Saturday 1:00 pm - 4:00 pm

Students will learn a choreography that utilizes the passionate and grounded nature of the Balady rhythm that they can reuse in group or solo performances.

This class will begin with a simple warm-up and move into bellydance isolations and drills. A full length choreography will be taught to a Balady song from one of the Bellydance Superstars albums. This passionate and strong choreography will allow the dancer to work on a different dynamic of his or her dancing. Focus will be on the rhythm of balady and how to use the accents. Students will be given time to perform the choreography for Stefanya and she will be available to provide feedback for the dancer.

***Sabrina Fox*: Sunday 10:00 am - 1:00 pm**

LIQUID LAYERS - You will learn how to combine down-tempo techniques together in a way that gives the dancer the appearance of liquid, seamlessly moving from one technique to another and layering them together. You will be shown several different technique combos to take home and practice or use in your own dance vocabulary. A great workout in control, and slowing down your performance style.

THANK YOU!

Yaa Halla, Y'all

Thank you!!!!

THANK YOU!

Wow!!! Eleven years of Yaa Halla, Y'all!!! Thank you, thank you, thank you, to our fabulous Volunteer Co-ordinators and to all of you who volunteered your precious time at Yaa Halla 2011 to help each other and our out-of-town guests. This was an outstanding year! And you guys rocked!! From the opening night competitions to the closing night finalé, the weekend was exciting and joyous! The "Red Shirts" and Security crew were there for us the whole time and the praises just keep coming!

Pre-packet planning and work was overwhelming, but our team did it and fabulously! The dressing rooms were again great and a big hit! Con-ops came through time after time with stunning support! The Foundation had amazing silent auctions won by VERY happy people. The Ticket team never wavered and LIVED there! And the sound and music crew kept on top of all the tweaks and changes with smiles on their faces! The stage was beautiful thanks to our exceptional stage team and the chaos backstage was terrifically handled full-time by our "Cat in the Hat and Things". Lights, vendors, instructors, front and workshop ambassadors, dancer sign-ins, - all had their own GREAT teams of support!! Could not have happened without our pre-yaa halla studio office team - you were phenomenal! Plus, our photographers and videographers - what stamina and talent! Thank you to everyone seems so small when my heart is so full of love and appreciation for you all! Thank you for rallying-round with all that fabulous support with Del - he's better, thanks - but I couldn't have done it all without you - the amazing team!!!
